activate
your life

Activate your Life is a Christian charity which takes a unique approach, working with the 'ordinary' individual Christian to be active in friendship evangelism. Its aim is to encourage, resource and inspire Christian women to connect with others.

Rhiannon Goulding DIRECTOR & PROJECT MANAGER

Never without a project on the go, Rhiannon has inspired and motivated many Christians and non-Christians to take the next step in their faith journeys, with the aim of leading people to Christ. Mum to six adult children and a love for welcoming more into her home, Rhiannon's life is full of adventure, creativity and enthusiasm!

Rachel Allcock COMMUNICATIONS MANAGER

Involved in a handful of small groups, Rachel loves to help women connect and enjoy honest relationships. She loves writing for our website, managing our social media accounts, and getting to know our supporters. Rachel loves conversations, family, game nights and shopping for bargains.
